

LS503

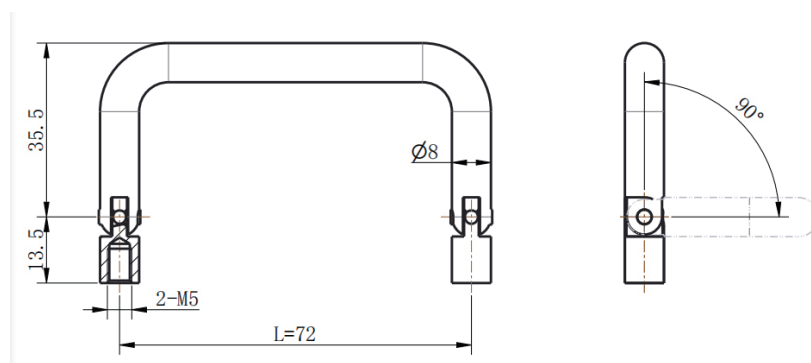

Specification

Material: Steel/SUS304

Finish:

Steel (bright chrome plated)/Polished

Specification	Part Number	
	Steel (bright chrome plated)	SUS304
L=72	LS503-72	LS503-S72
L=100	LS503-100	LS503-S100

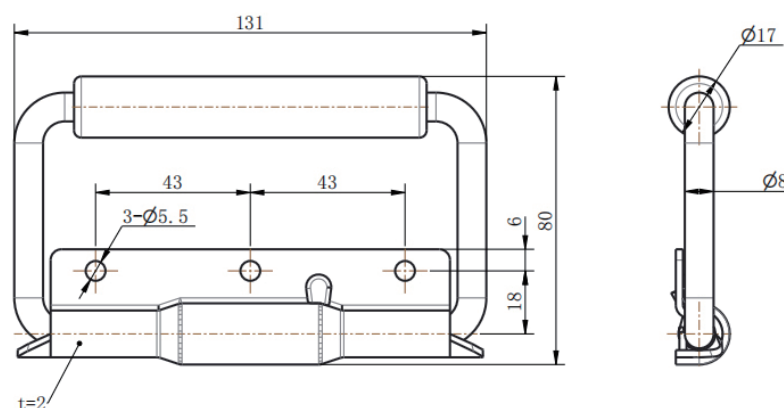

LS504

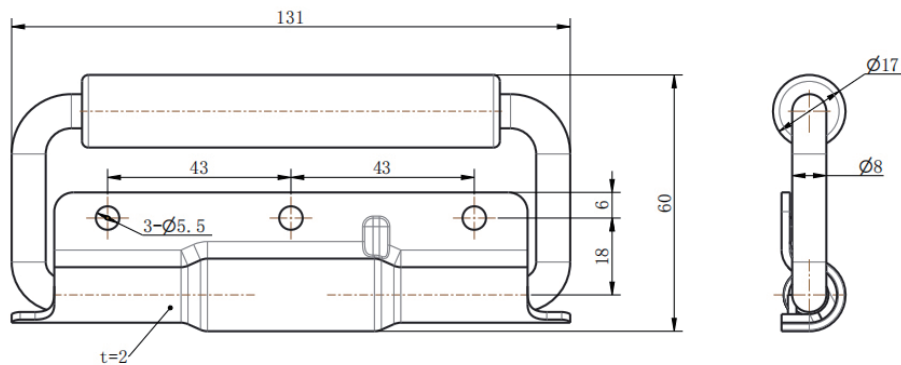

Specification

Material: Steel/SUS304

Finish:

Steel (bright chrome plated) /
electrolysis

Specification	Part Number
Steel (bright chrome plated)	LS504-1
SUS304	LS504-1B

LS504-1A

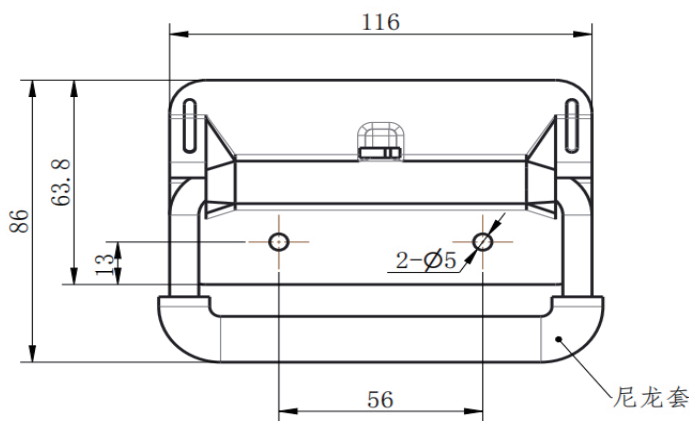

Specification

Material: Steel/SUS304

Finish: Steel (bright chrome plated) / electrolysis

Handle

Specification	Part Number
Steel (bright chrome plated)	LS504-1A
SUS304	LS504-1AS

LS504-2

Specification

Material: Aluminum alloy fixture with rubber
rubber sleeve pull ring
Finish: Oxidation

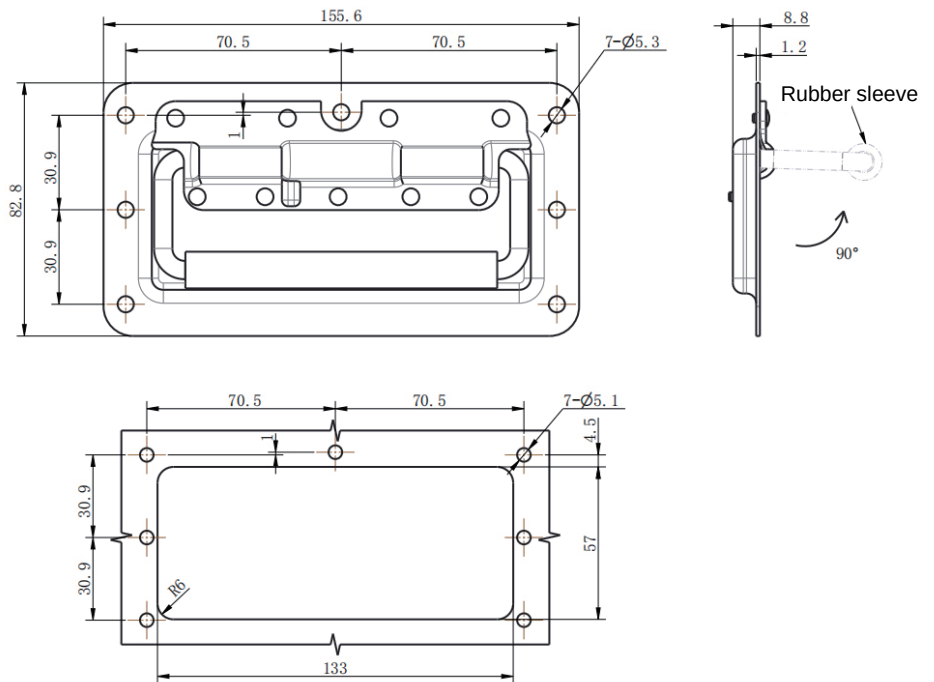

Part Number	LS504-2
-------------	---------

LS504-3

Specification

Material: Steel fixture, rubber sleeve pull ring, stainless steel spring
 Finish: Powder coat(black)

Part Number

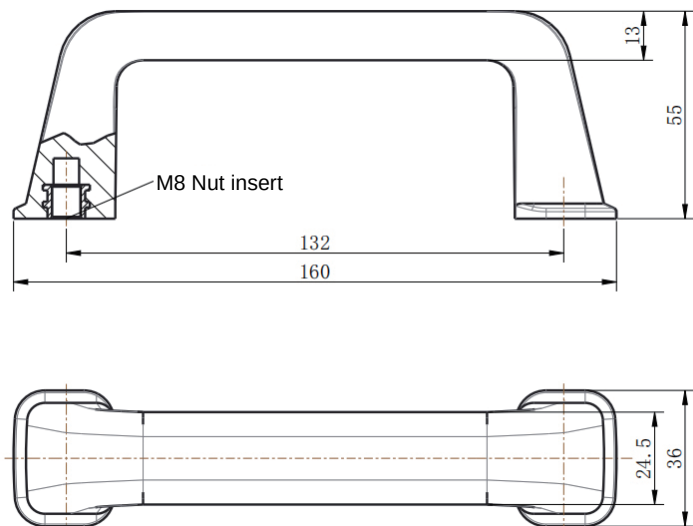

LS504-3

LS505

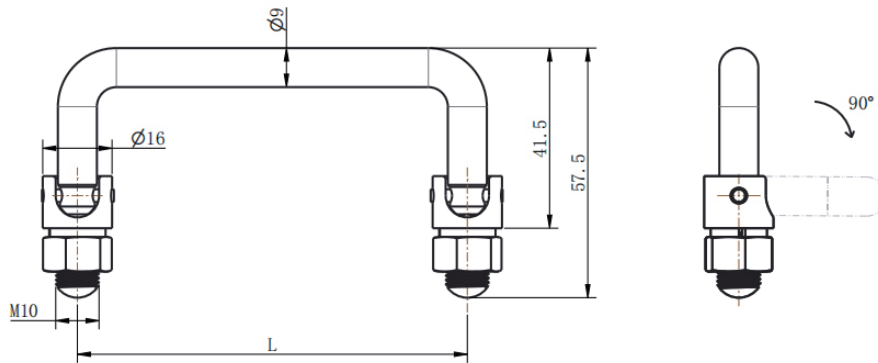

Specification

Material: Black PP

Part Number

LS505

Specification	Part Number	
	Steel (bright chrome plated)	SUS304
L=90	LS506-90	LS506-S90
L=100	LS506-100	LS506-S100
L=120	LS506-120	LS506-S120
L=135	LS506-135	LS506-S135
L=150	LS506-150	LS506-S150
L=155	LS506-155	LS506-S155
L=160	LS506-160	LS506-S160

LS506

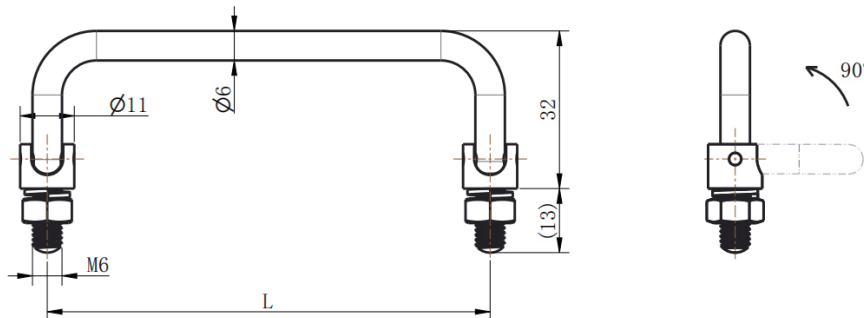

Specification

Material: Steel/SUS304

Finish:

Steel (bright chrome plated)/Polished

Handle

Specification	Part Number	
	Steel (bright chrome plated)	SUS304
L=55	LS506-2-55	LS506-2-S55
L=60	LS506-2-60	LS506-2-S60
L=70	LS506-2-70	LS506-2-S70
L=90	LS506-2-90	LS506-2-S90

LS506-2

Specification

Material: Steel/SUS304

Finish:

Steel (bright chrome plated)/Polished

LS507

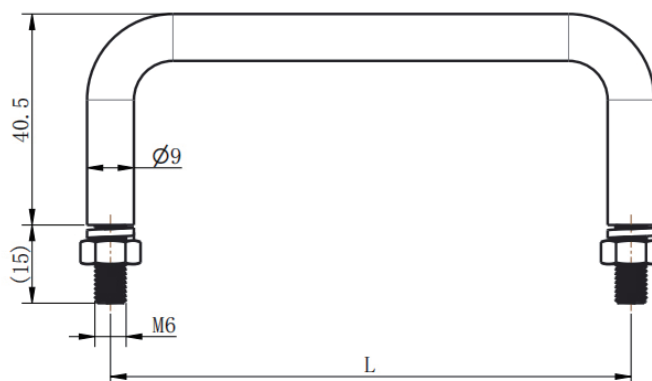

Specification

Material: Steel/SUS304

Finish:

Steel (bright chrome plated)/Polished

Specification	Part Number	
	Steel (bright chrome plated)	SUS304
L=68	LS507-68	LS507-S68
L=75	LS507-75	LS507-S75
L=100	LS507-100	LS507-S100
L=150	LS507-150	LS507-S150

LS508

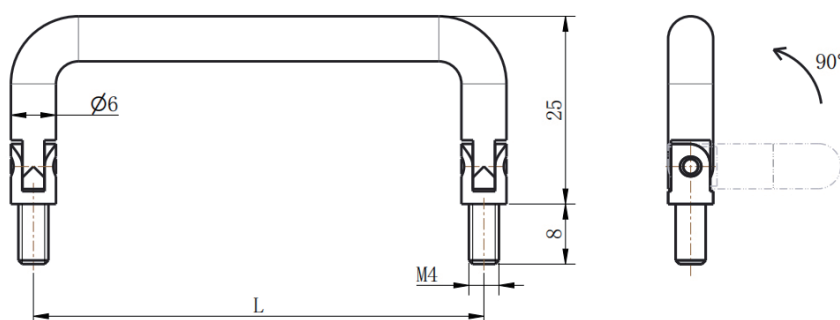

Specification

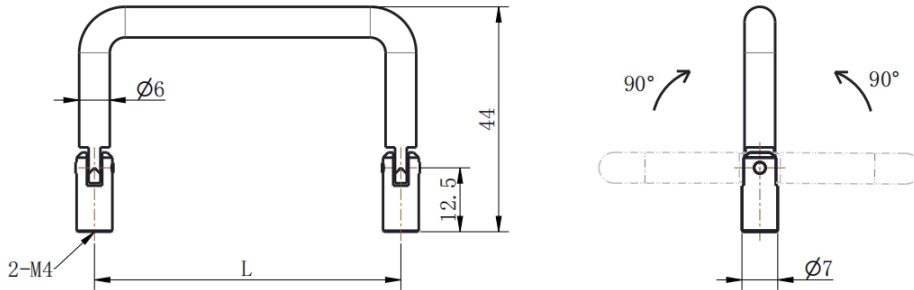

Material: Steel/SUS304

Finish:

Steel (bright chrome plated)/Polished

Specification	Part Number	
	Steel (bright chrome plated)	SUS304
L=60	LS508-60	LS508-S60

L=135	LS509-135	LS509-S135

LS509

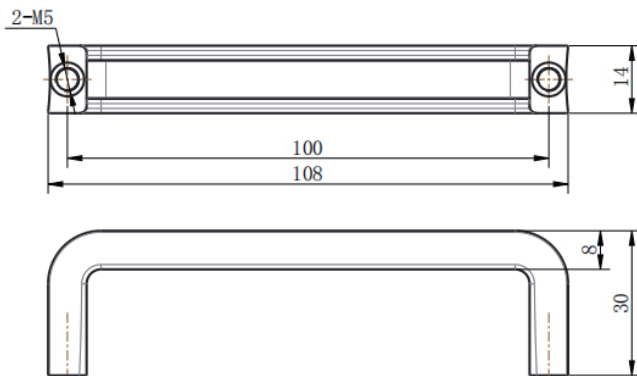

Specification

Material: Steel/SUS304

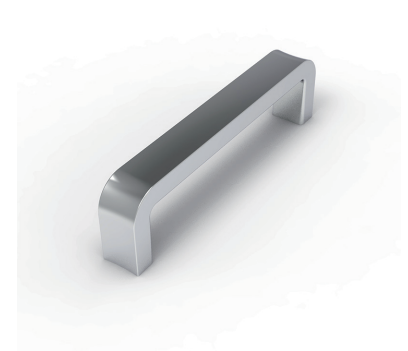

Finish:

Steel (bright chrome plated)/Polished

Handle

LS510

Specification

Material: Zinc alloy

Finish: Bright chrome plated

Part Number	LS510
-------------	-------

LS511

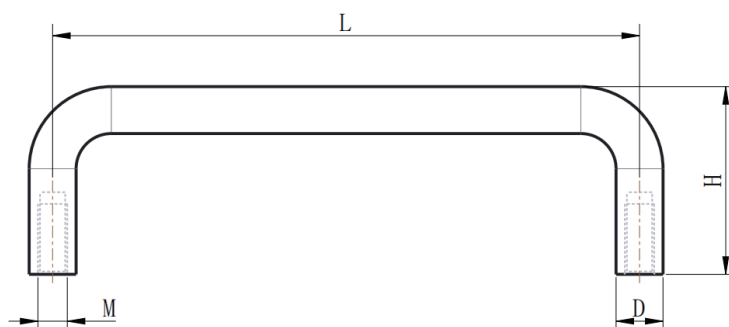

Specification

Material: Steel/SUS304

Finish:

Steel (bright chrome plated)/Polished

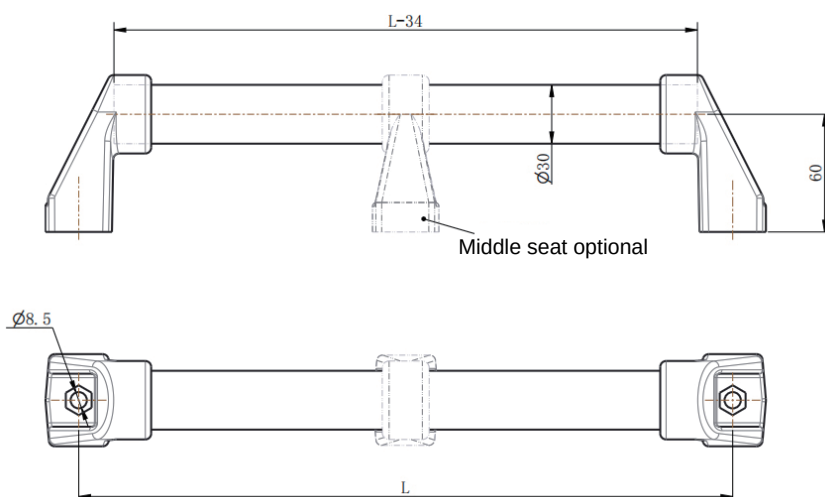

Specification				Part Number	
L	H	D	M	Steel (bright chrome plated)	SUS304
60	32	φ 6	M4	LS511-B60	LS511-BS60

150				LS511-150	LS511-S150

LS513

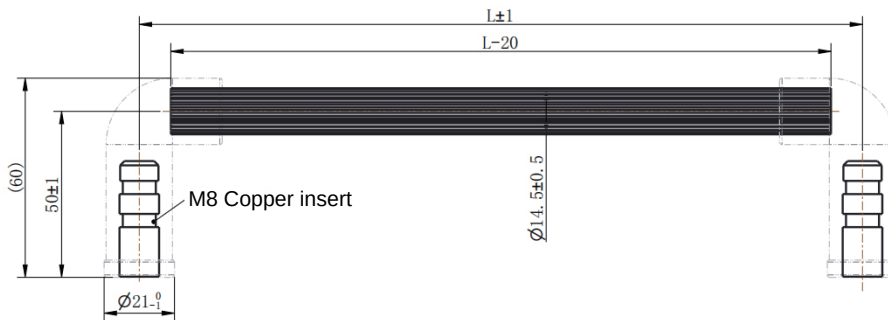

Specification

Material: Rubber sleeve, steel pipe,
black PA fixture

Specification	Part Number
L=300	LS513-300
L=400	LS513-400
L=500	LS513-500
L=600	LS513-600
L=700	LS513-700
L=800	LS513-800

Specification	Part Number
L=190	LS513-2-100
L=240	LS513-2-150

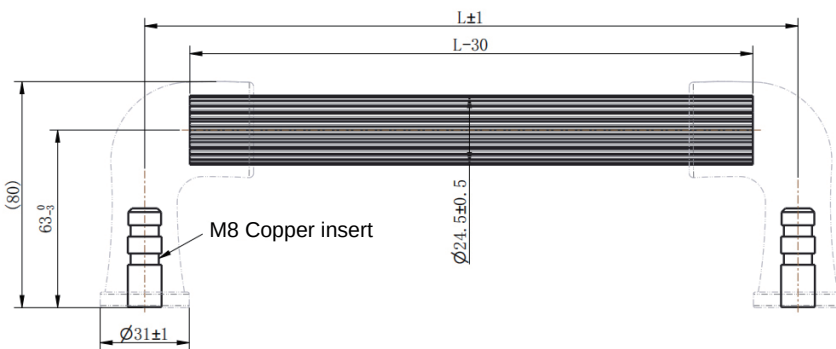

LS513-2

Specification

Material: Rubber sleeve, steel pipe, black PA fixture, Copper insert

Handle

Specification	Part Number
L=320	LS513-3-320
L=370	LS513-3-370
L=470	LS513-3-470
L=570	LS513-3-570
L=670	LS513-3-670
L=770	LS513-3-770

LS513-3

Specification

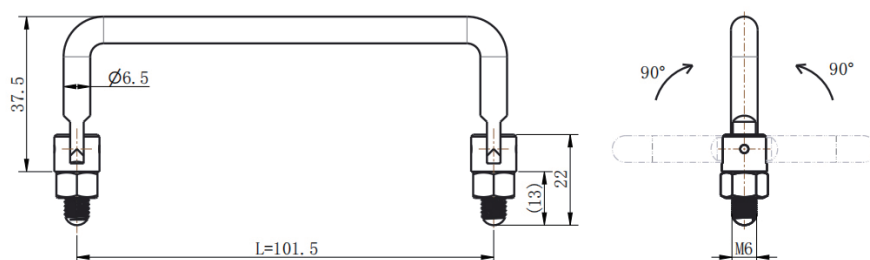

Material: Rubber sleeve, steel pipe, black PA fixture, Copper insert

LS515

Specification

Material: Steel
Finish: Bright chrome plated

Part Number

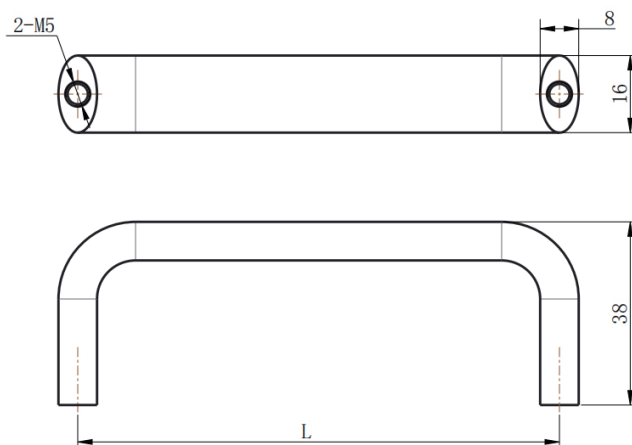

LS515

LS516

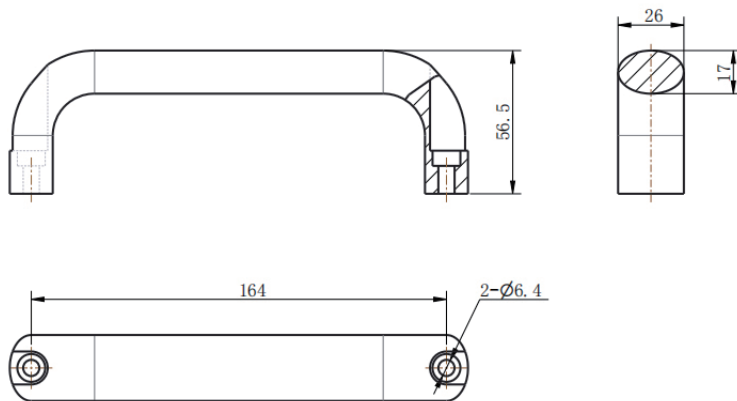

Specification

Material: Aluminum alloy
Finish: Powder coat(black)

Specification	Part Number
L=75	LS516-75
L=100	LS516-100
L=125	LS516-125
L=150	LS516-150
L=175	LS516-175

LS516-2A

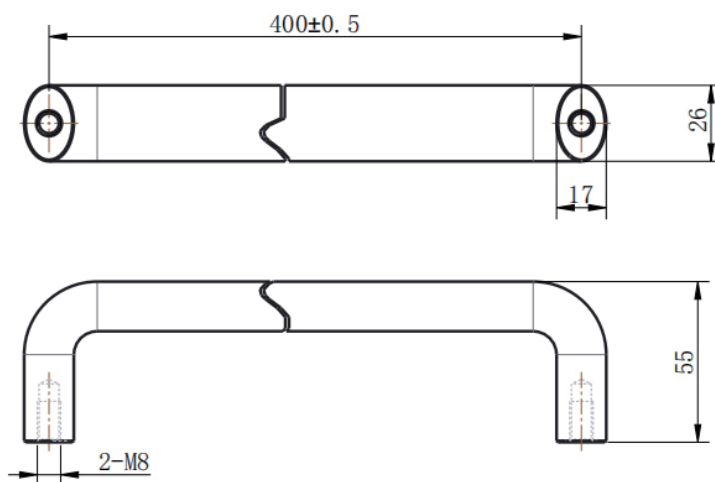

Specification

Material: Aluminum alloy
Finish: Powder coat(black)

Handle

Part Number	LS516-2A
-------------	----------

LS516-2A-1D

Specification

Material: Aluminum alloy
Finish: Powder coat(black)

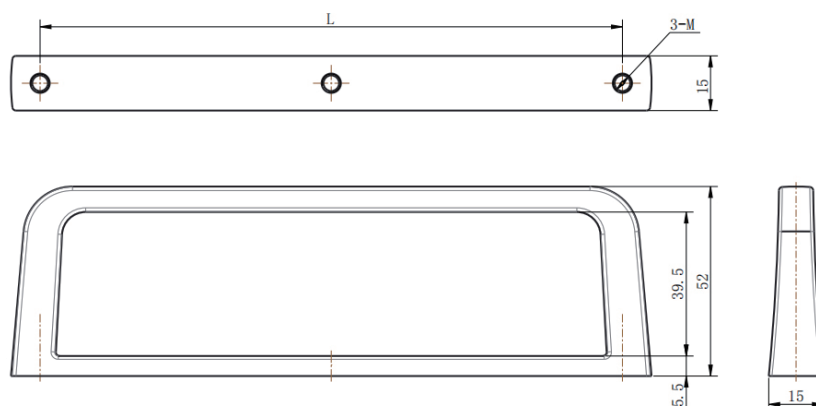

Part Number	LS516-2A-1D
-------------	-------------

LS518

Specification

Material: Zinc alloy
Finish: Nanometer

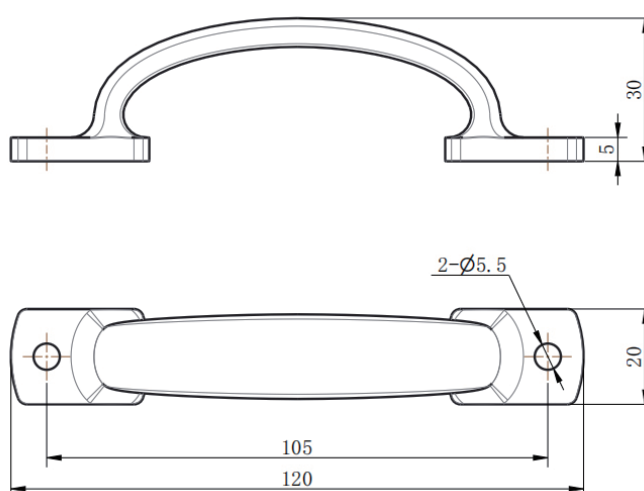

Specification		Part Number
L	M	
30	2-M4	LS518-1U
71	2-M5	LS518-2U
115.5	2-M5	LS518-3U
160	3-M5	LS518-4U

LS519

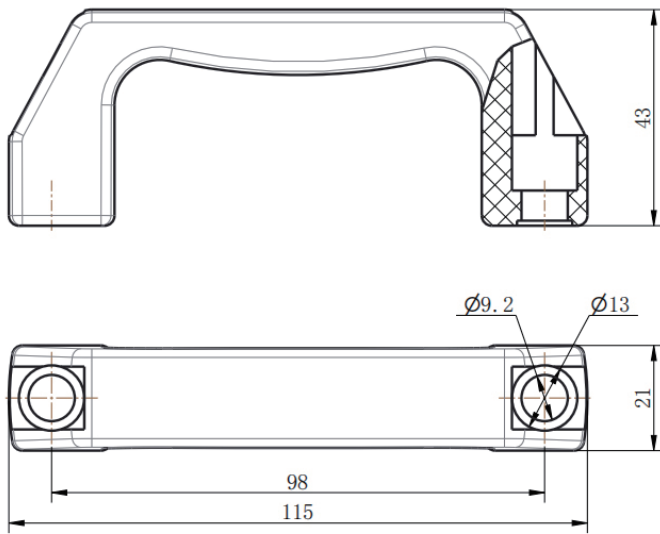

Specification

Material: SUS304
Finish: Mirror polished

Part Number	LS519
-------------	-------

LS520

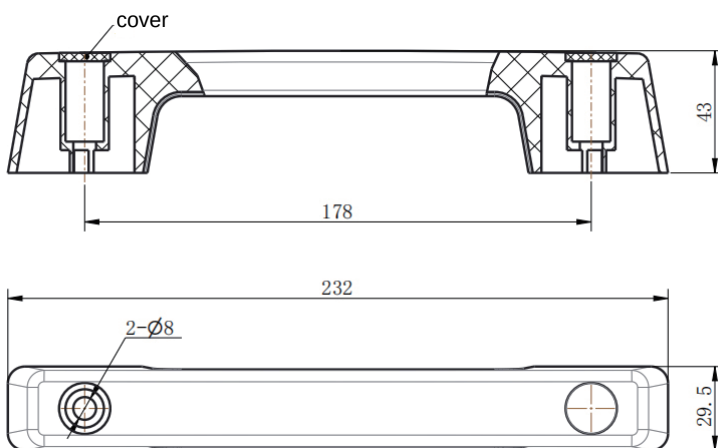

Specification

Material: Black ABS

Handle

Part Number

LS520

LS521

Specification

Material: Black ABS

Part Number

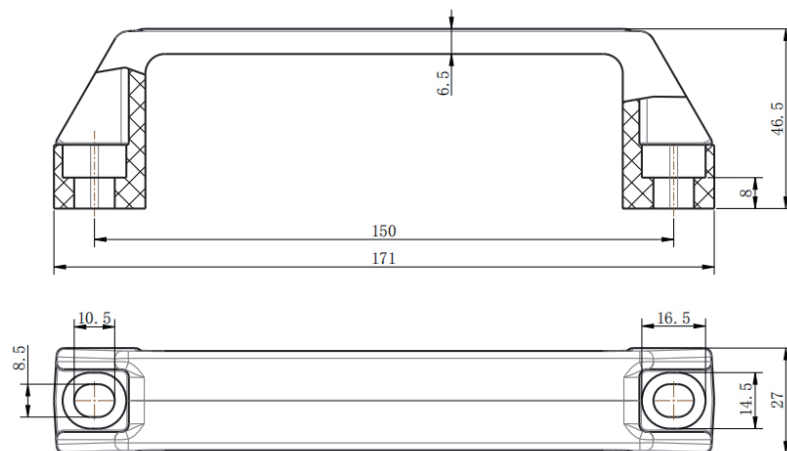

LS521

LS522-1

Specification

Material: Black PA

Part Number

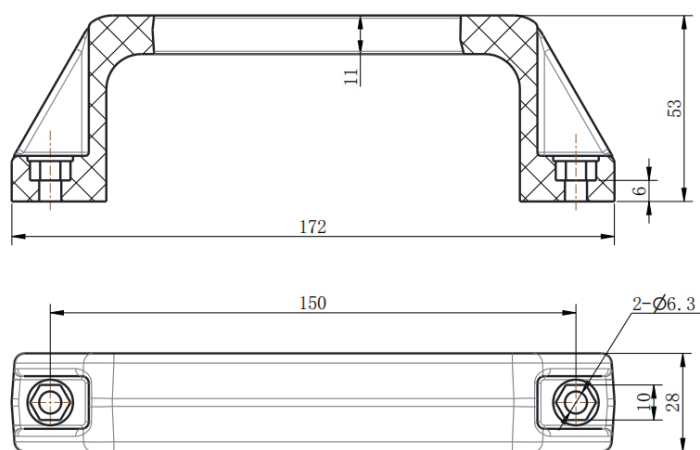

LS522-1

LS522-2

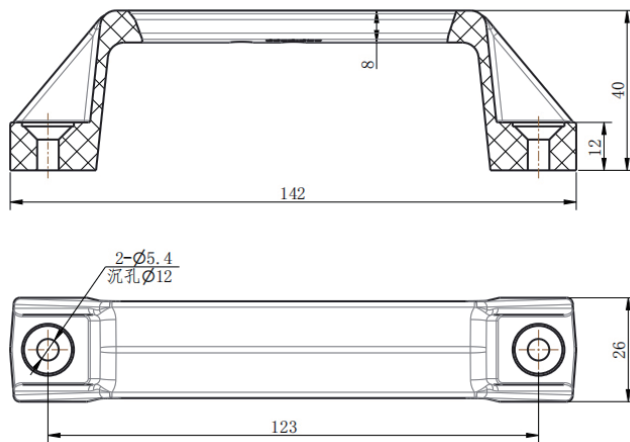

Specification

Material: Black PA

Part Number

LS522-2

LS522-3

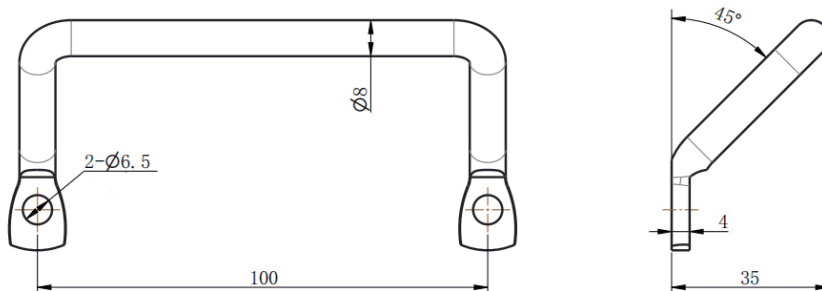

Specification

Material: Black PA

Part Number

LS522-3

Handle

LS531

Specification

Material: Steel
Finish: Bright chrome plated

Part Number

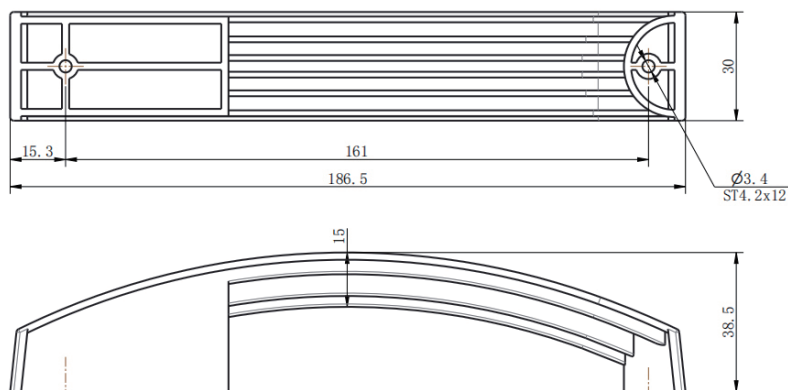

LS531

LS532

Specification

Material: Black PC

Part Number

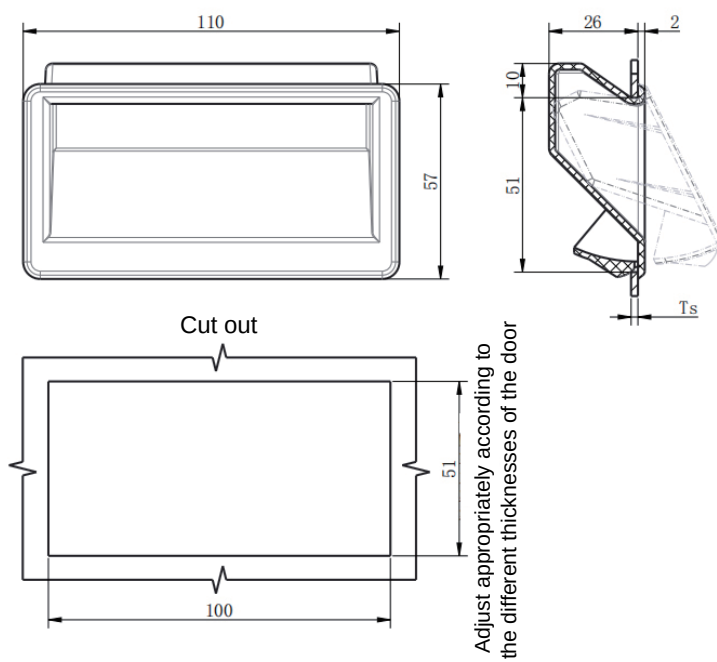

LS532

LS537-1

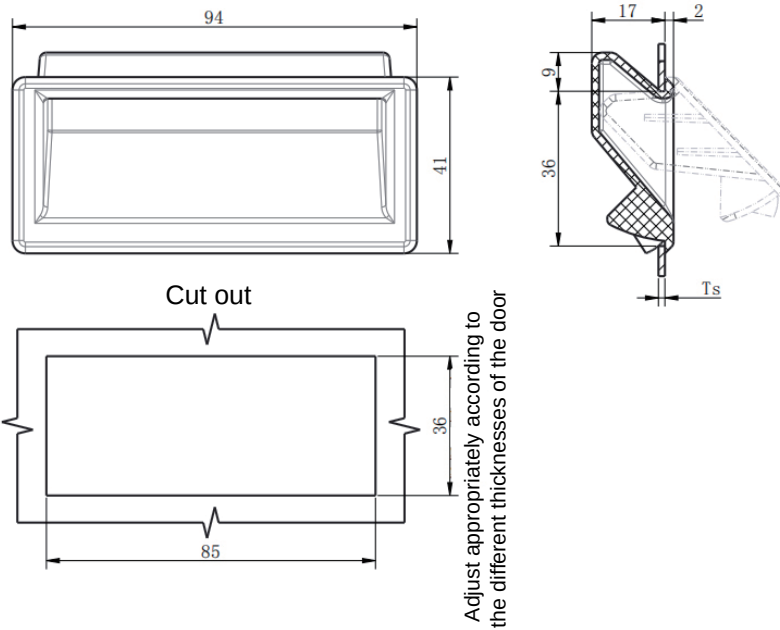

Specification

Material: Black PA

Part Number

LS537-1

LS537-2

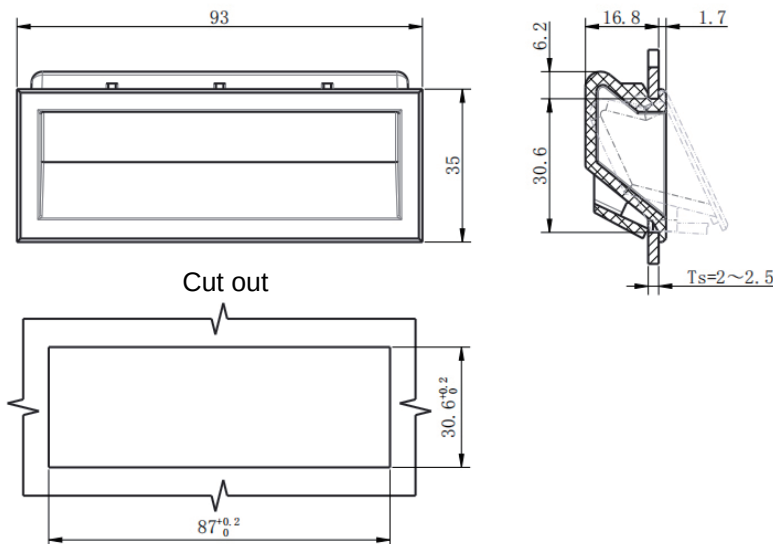

Specification

Material: Black PA

Handle

Part Number	LS537-2
-------------	---------

LS537-3

Specification

Material: Black PA

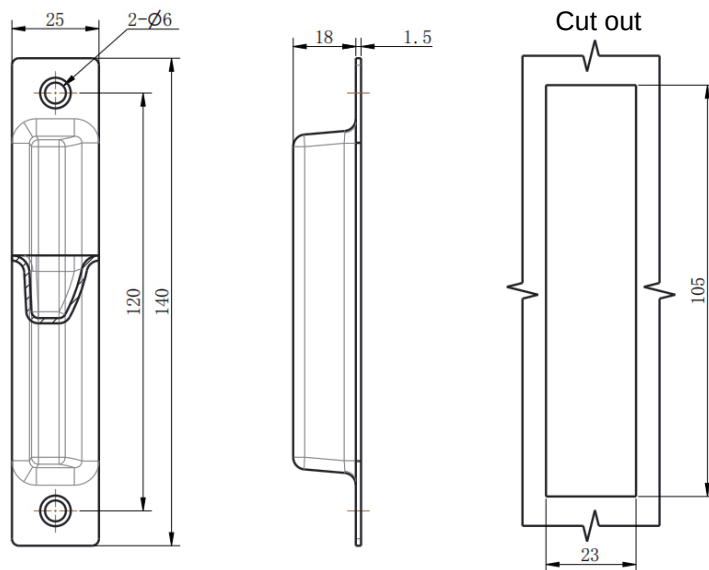

Part Number	LS537-3
-------------	---------

LS541

Specification

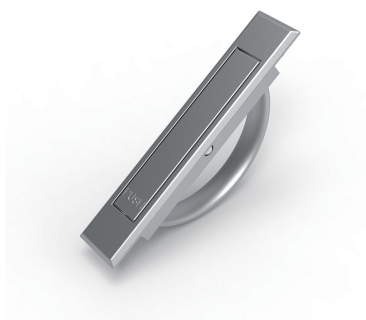

Material: SUS304
Finish: Mirror polish

Part Number

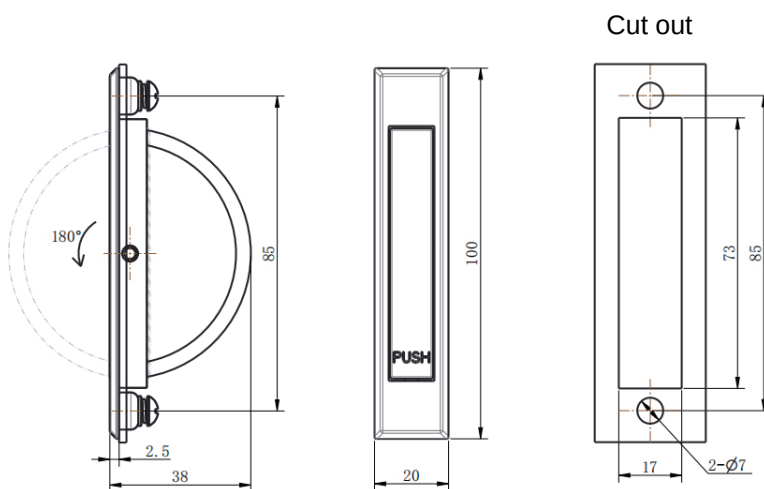

LS541

LS550

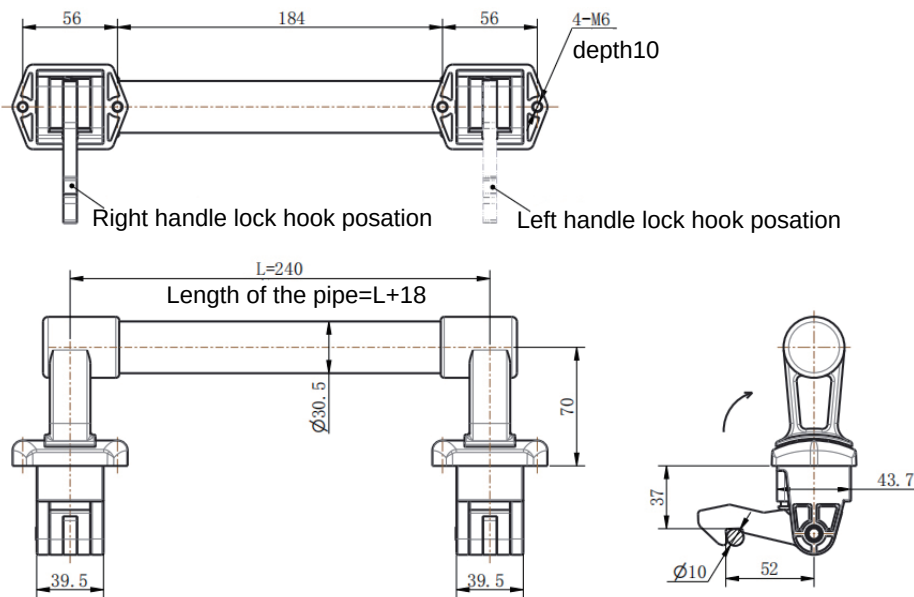

Specification

Material: Zinc alloy
Finish: Sandblasted chrome plating

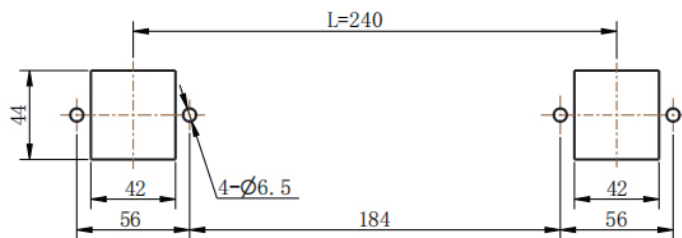

Part Number

LS550

Cut out

LS546-Y

LS546-Z

Specification

Material: Zinc alloy housing,
PVC coated steel pipe
Finish: Black painted

Application: Unlock the shackle by
the swing handle, different shackle
installation position for the left and
right handle

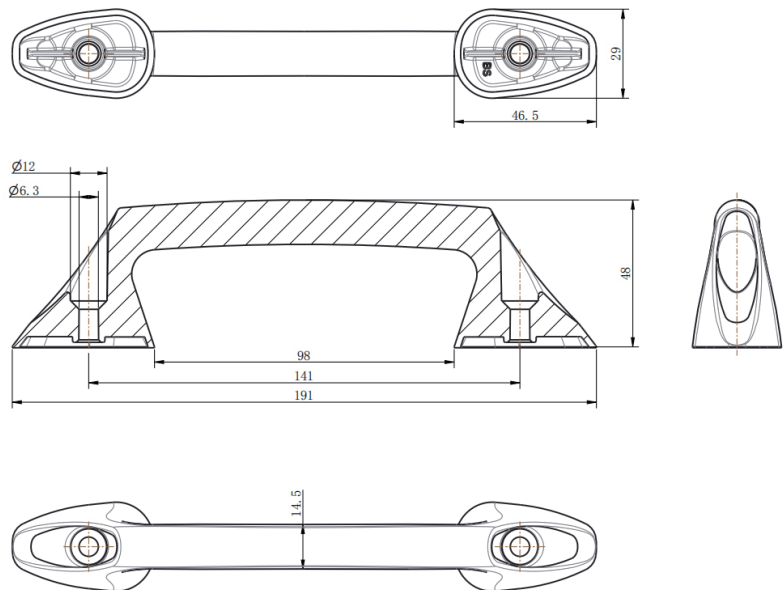

Specification	Part Number
Right handle	LS546-Y
Left handle	LS546-Z

LS100-1

Specification

Material: Zinc alloy
Finish: Powder coat(black)

Part Number

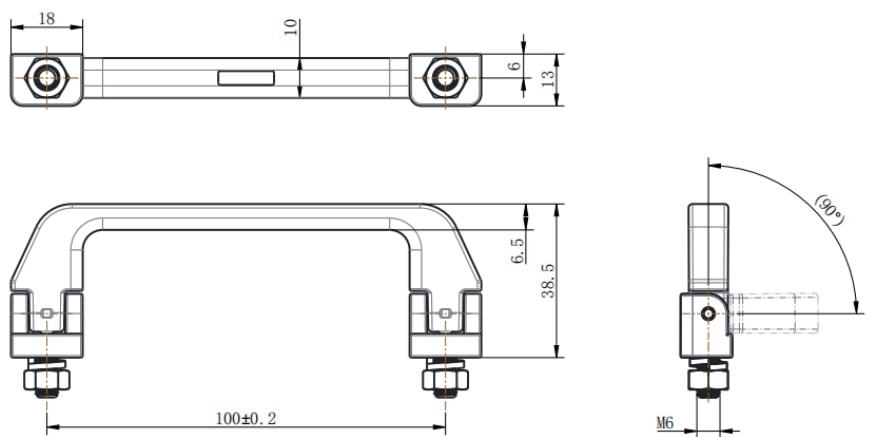

LS100-1

LS101-1

Specification

Material: Zinc alloy
Finish: Electroplated matte chrome

Part Number

LS101-1
