

TOGGLE AND HOOK SERIES

DKS-1

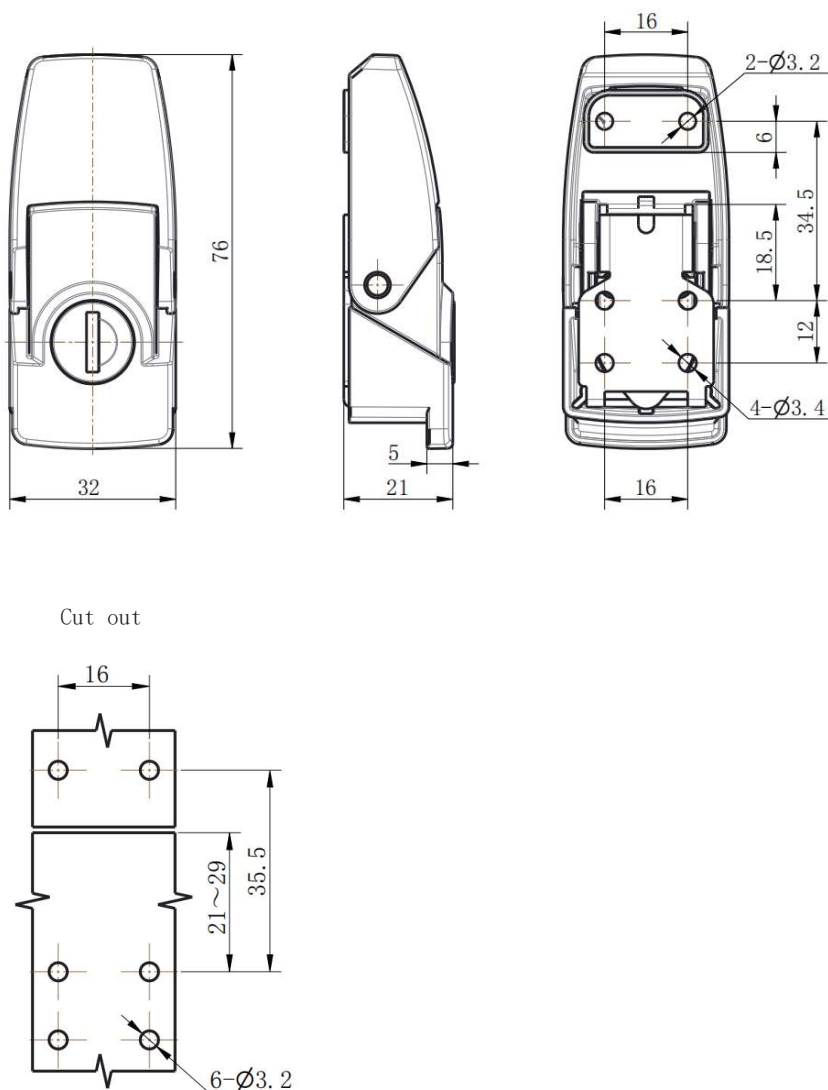

DKS-2

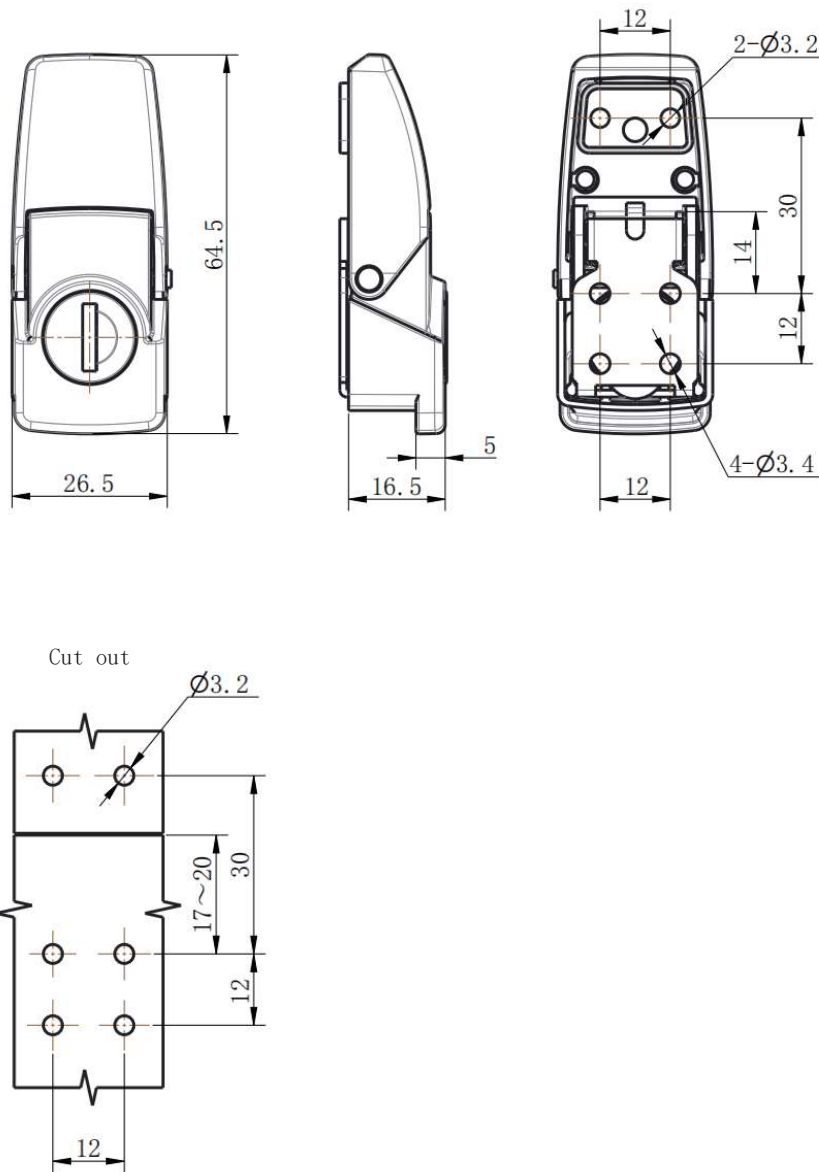

Specification

Material: Zinc alloy housing,
Stainless steel bracket and catcher
Finish: Powder coated (black) or Bright
chrome plated
Remark: Double-sided dedicated key

Specification	Part Number
With lock core	DKS-1
Without lock core	DKS-2

DK604-1

DK604-2

DK604-3

Specification

Material: Zinc alloy housing,
Stainless steel bracket and catcher
Finish: Powder coated (black) or Bright
chrome plated
Remark: Double-sided dedicated key

Specification	Part Number
With lock core	DK604-1
Without lock core	DK604-2
Tool lock cylinder (Hexagon 8mm)	DK604-3

DK602-1HS

DK602-3B-1HS

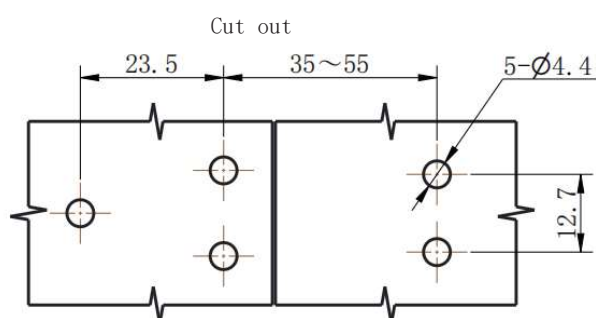

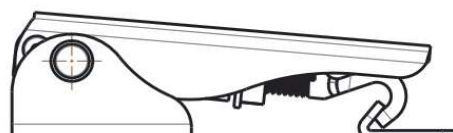

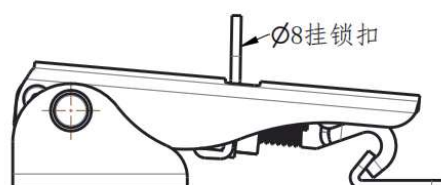

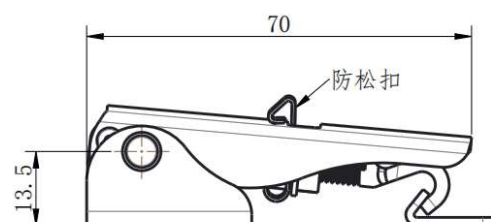

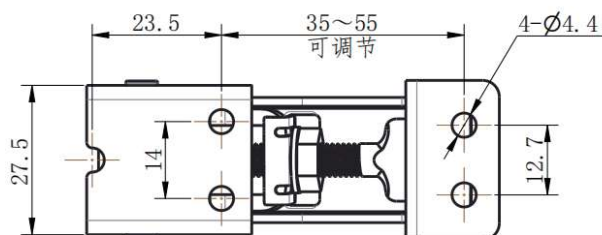

DK602-3P-1HS

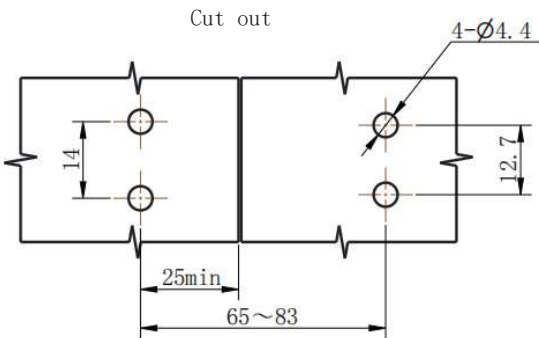

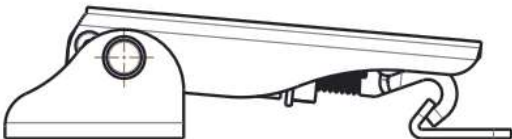

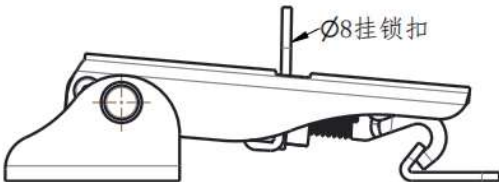

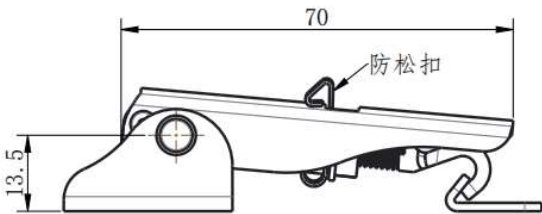

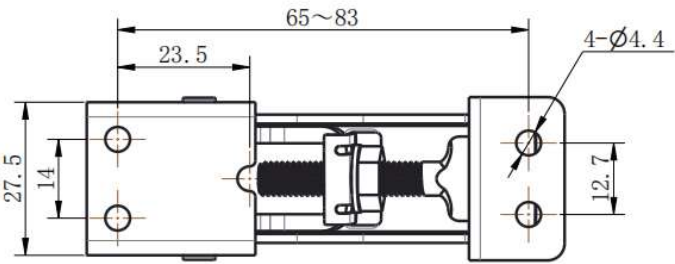

Specification

Material: Stainless steel or steel
Finish: Stainless steel electropolished,
steel with zinc plated

Concealed type

Specification	Part Number	
	SUS304	Steel
Without anti-loose buckle	DK602-1HS	DK602-1H
With anti-loose buckle	DK602-3B-1HS	DK602-3B-1H
With pad lock	MZ602-3P-1HS	DK602-3P-1H

Exposed type

Specification	Part Number	
	SUS304	Steel
Without anti-loose buckle	DK602-1ES	DK602-1E
With anti-loose buckle	DK602-3B-1ES	DK602-3B-1E
With pad lock	MZ602-3P-1ES	DK602-3P-1E

DK602-3B-1ES

DK602-3P-1ES

DK602-1ES

Specification

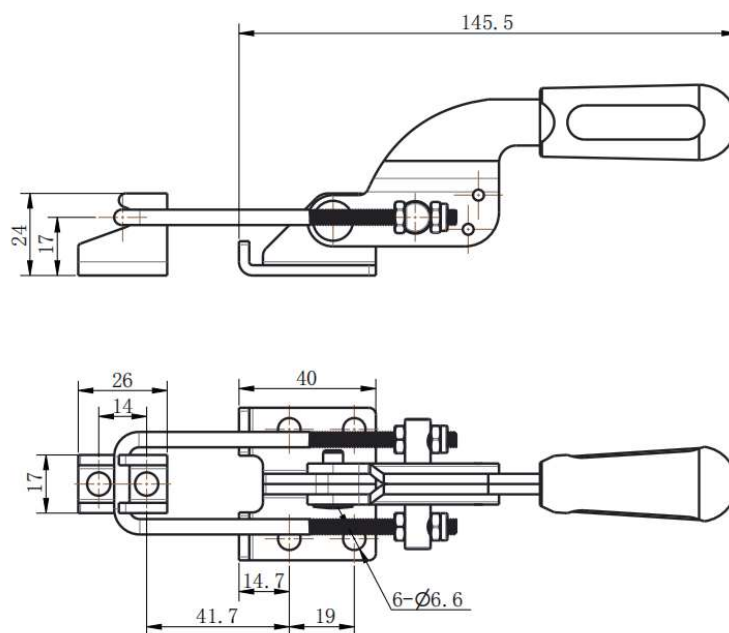

Material: Stainless steel or steel
Finish: Stainless steel electropolished,
steel with zinc plated

DK603

Specification

Material: Steel body and rubber handle
Finish: White zinc plated

Part Number

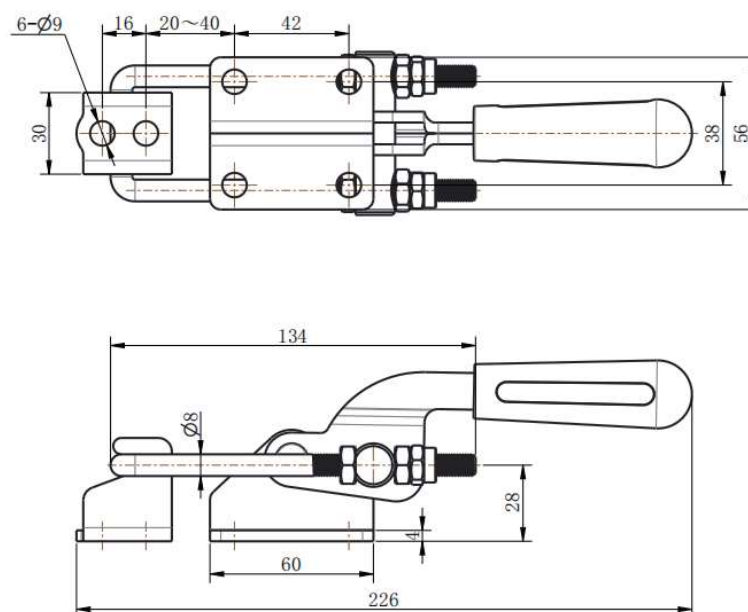

DK603

DK603-3

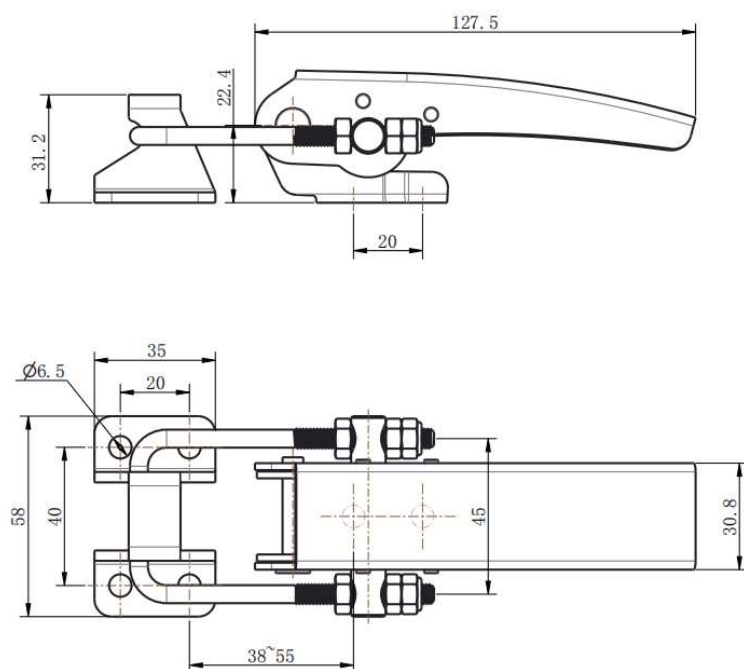

Specification

Material: Steel body and rubber handle
Finish: White zinc plated

Part Number

DK603-3

DK603-9

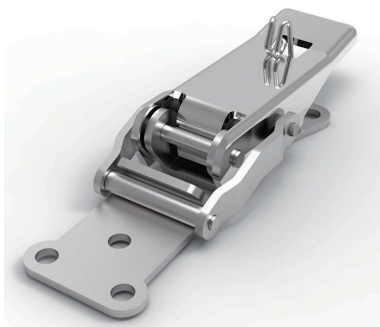

Specification

Material: SUS304
Finish: Grinding

Part Number

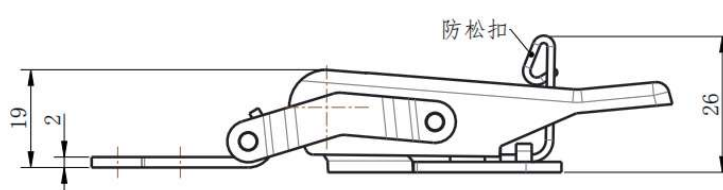

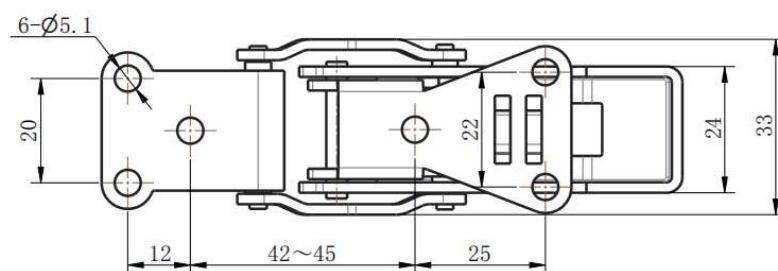

DK603-9

DK605-1

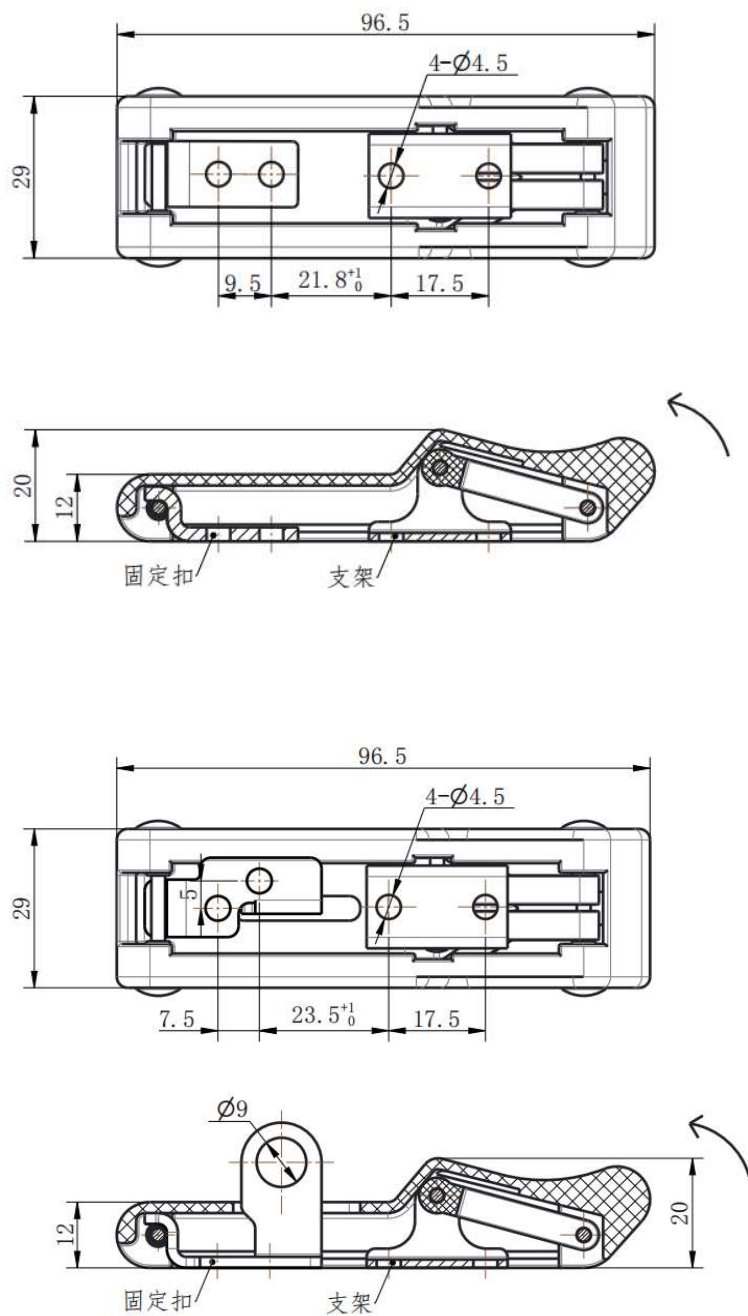

Specification

Material: SUS304
Finish: Mirror polishing

Part Number	DK605-1
-------------	---------

DK609-1

DK609-1G

Specification

Material: TPR black body,SUS304 catcher and bracket

Specification	Part Number
Without pad lock	DK609-1
With pad lock	DK609-1G

DK609-1A

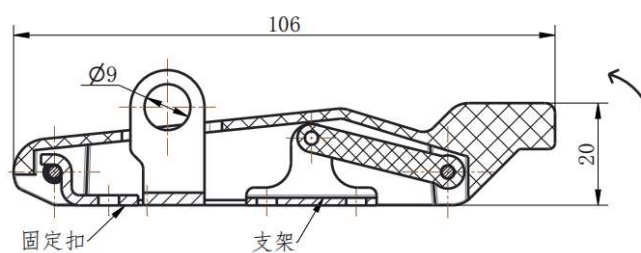

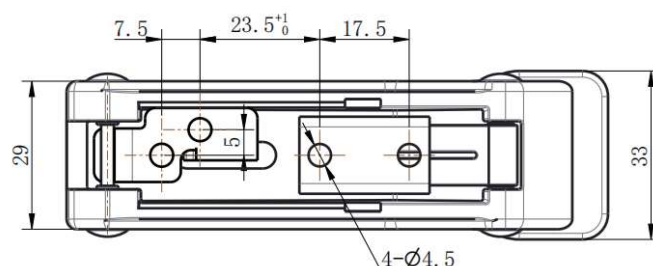

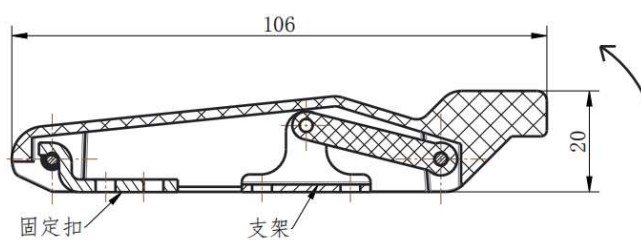

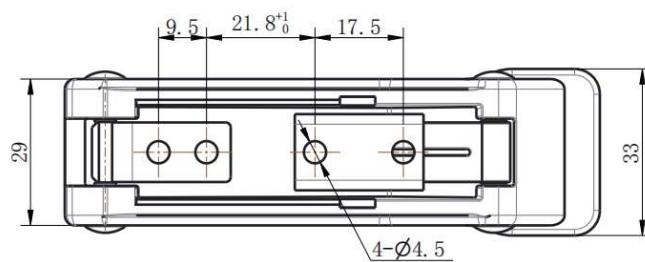

DK609-1AG

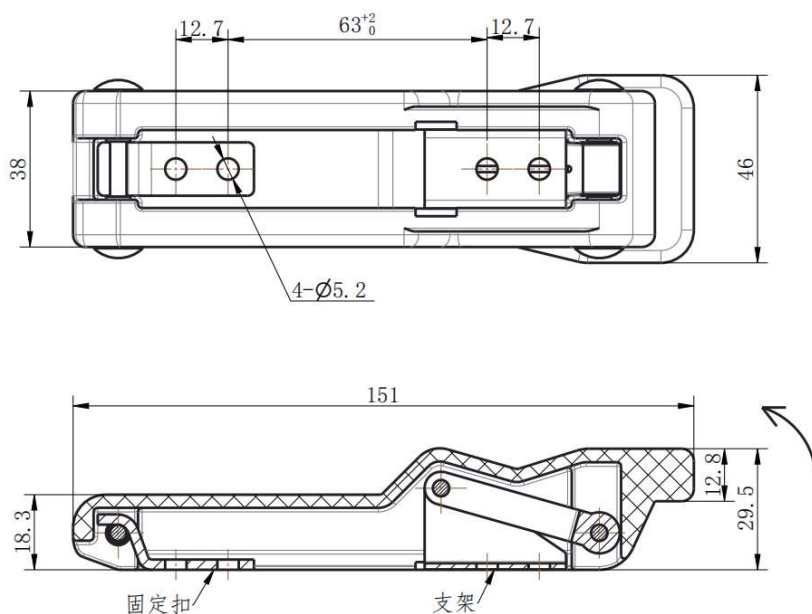

Specification

Material: TPR black body, SUS304 catcher and bracket

Specification	Part Number
Without pad lock	DK609-1A
With pad lock	DK609-1AG

DK609-2

Specification

Material: TPR black body, SUS304 catcher and bracket

Part Number

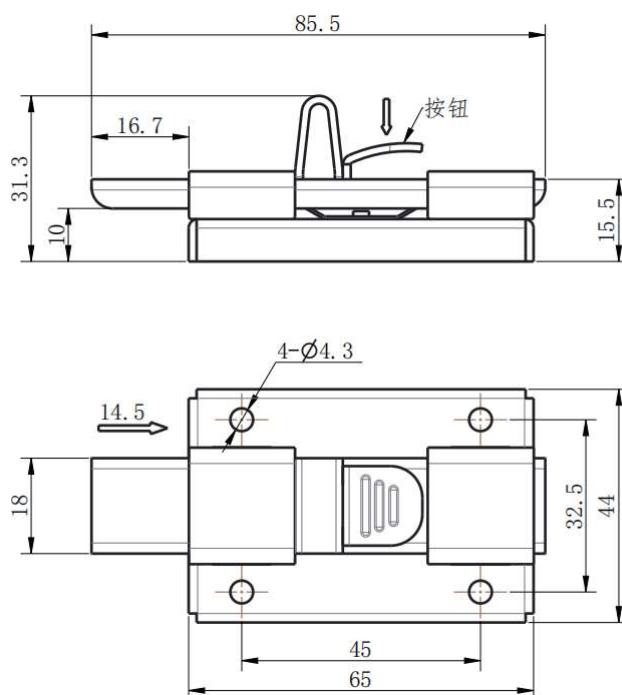

DK609-2

DK610-1

Specification

Material: SUS304
Finish: Grinding

Part Number

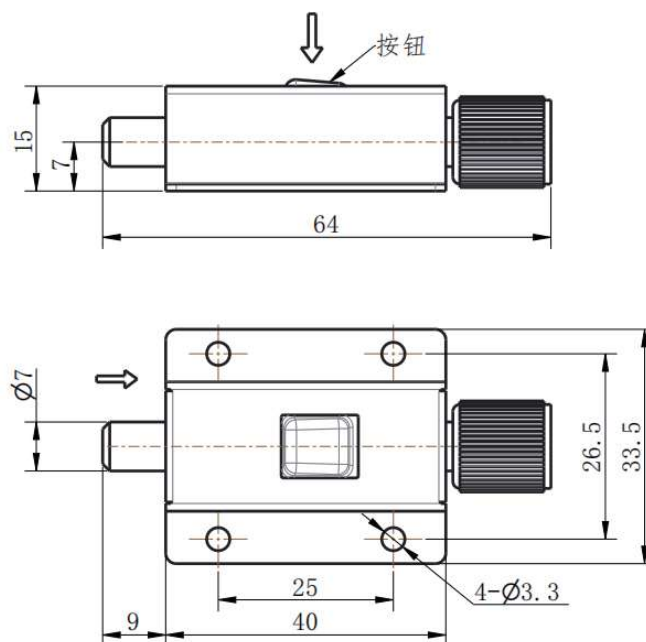

DK610-1

DK611-1

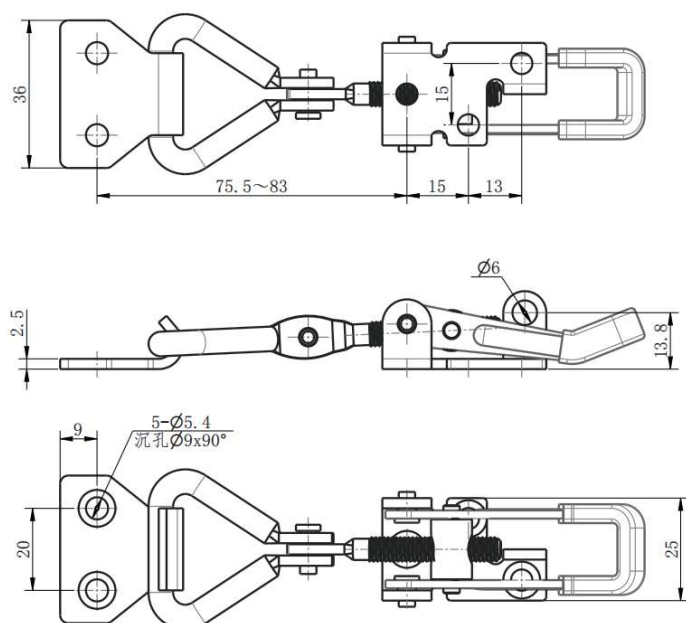

Specification

Material: SUS304 bracket, button with plastic, grip chrome plated steel bolt
Finish: Stainless steel with grinding

Part Number

DK611-1

Part Number

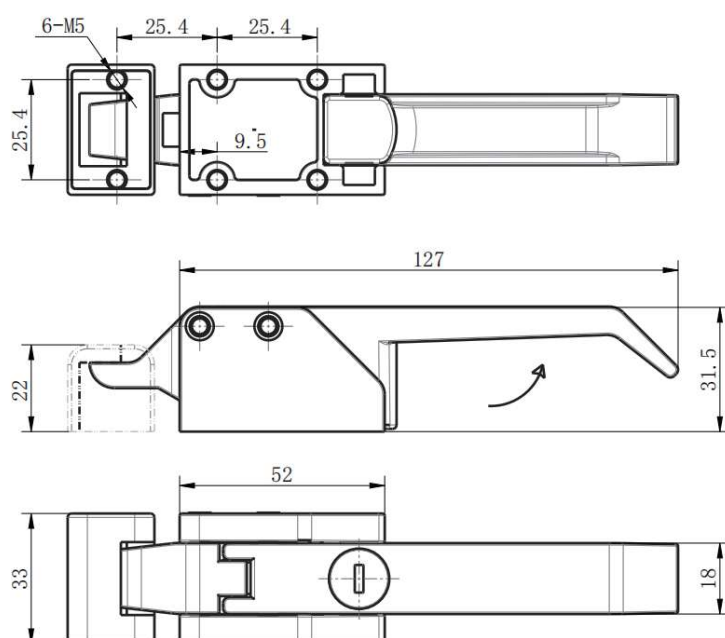

DK614-1

DK614-1

Specification

Material: SUS316
Finish: Grinding

Specification

Part Number

With lock core

DK615-1

Without lock core

DK615-2

DK615-1

Specification

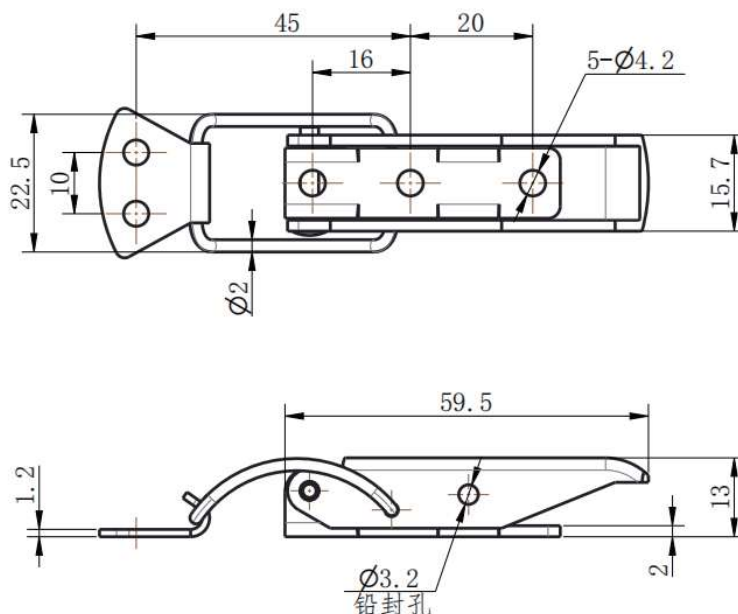

Material: Zinc alloy housing,
handle and catcher
Finish: Powder coated(black)

DK617-1

Specification

Material: SUS304
Finish: Grinding

Part Number

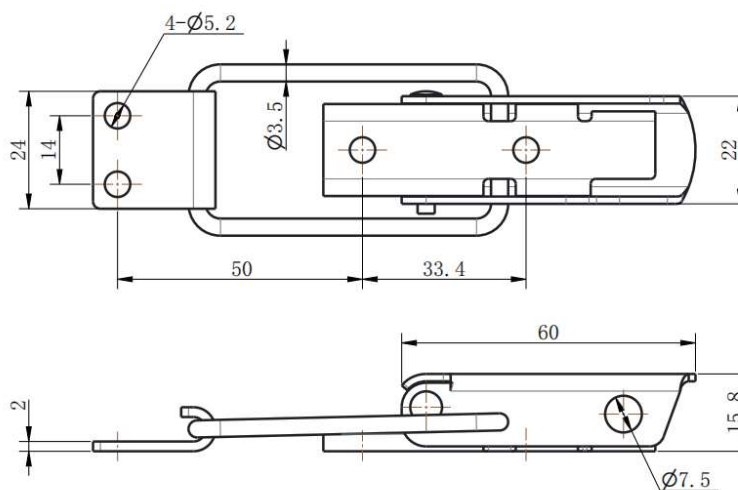

DK617-1

DK617-5

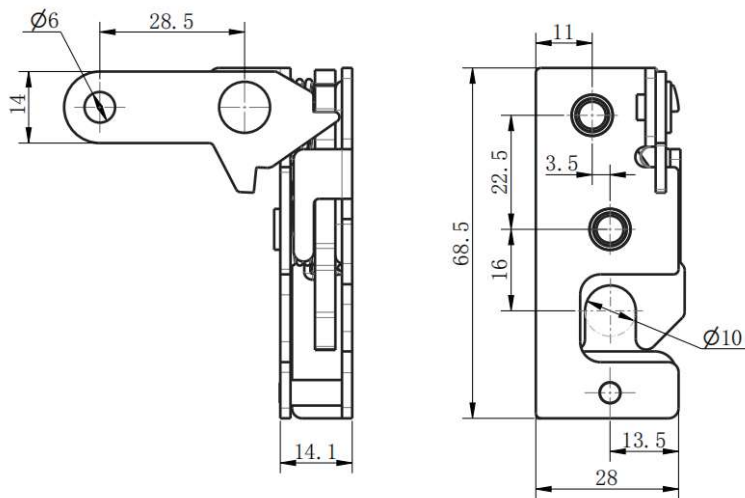

Specification

Material: SUS304
Finish: Grinding

Part Number

DK617-5

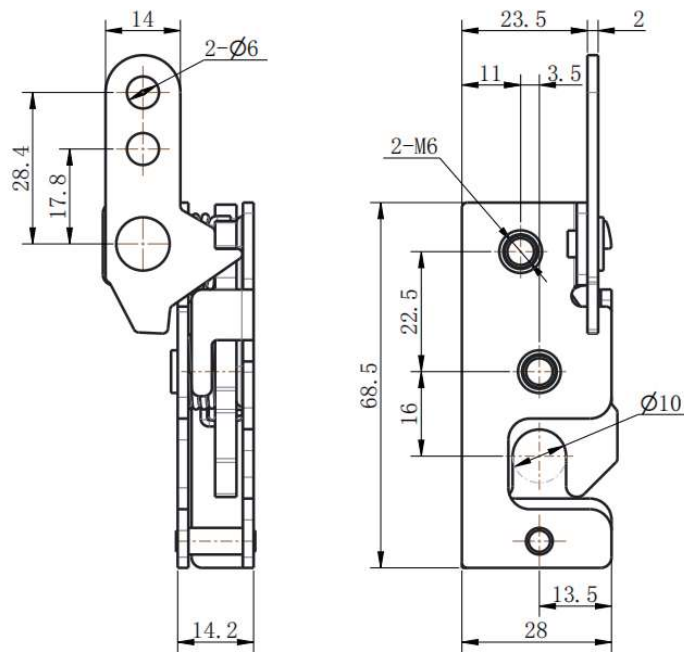

DK618-6

Specification

Material: Steel
 Finish: White zinc plated
 Remark: Drawing is LH

Specification	Part Number
LH	DK618-6-Z
RH	DK618-6-Y

DK618-7

Specification

Material: Steel
 Finish: White zinc plated
 Remark: Drawing is LH

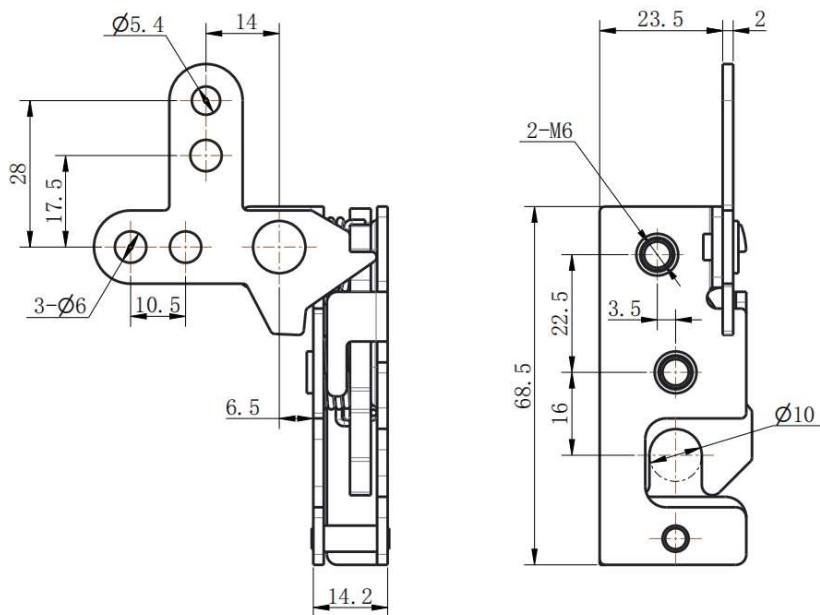

Specification	Part Number
LH	DK618-7-Z
RH	DK618-7-Y

DK618-8

Specification

Material: Steel
Finish: White zinc plated
Remark: Drawing is LH

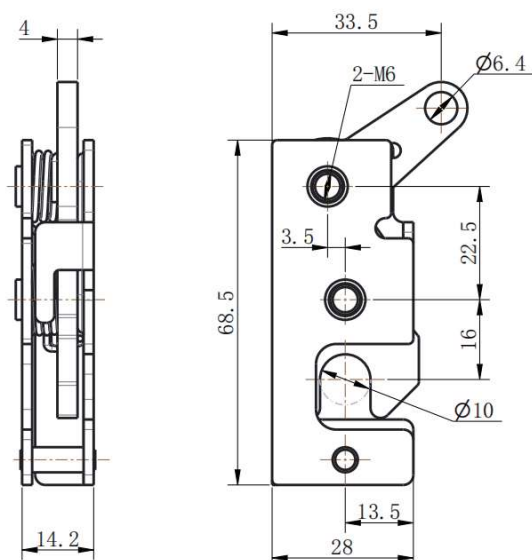

Specification	Part Number
LH	DK618-8-Z
RH	DK618-8-Y

DK618-9

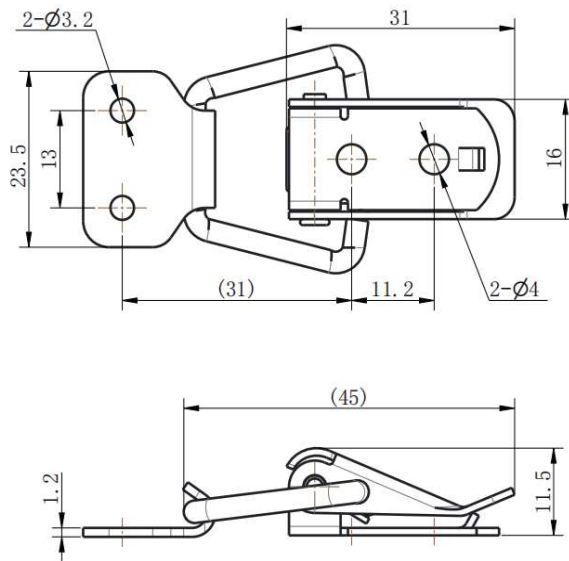

Specification

Material: Steel
Finish: White zinc plated
Remark: Drawing is LH

Specification	Part Number
LH	DK618-9-Z
RH	DK618-9-Y

DK619-2-1D

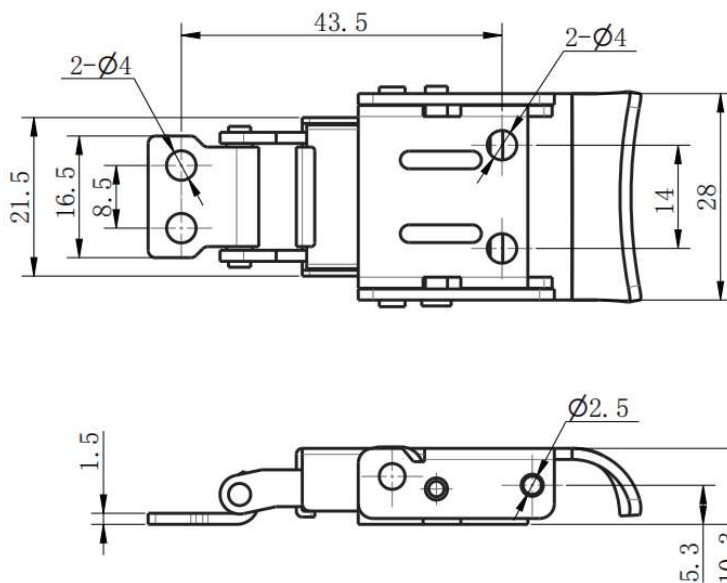

Specification

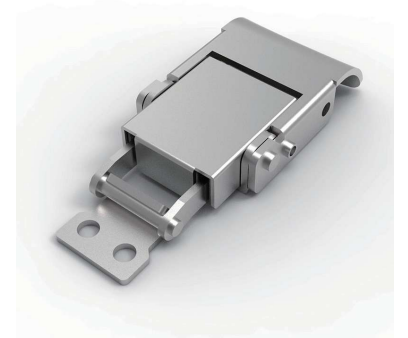

Material: SUS304
Finish: Grinding

Part Number

DK619-2-1D

DK624

Specification

Material: SUS304
Finish: Grinding

Part Number

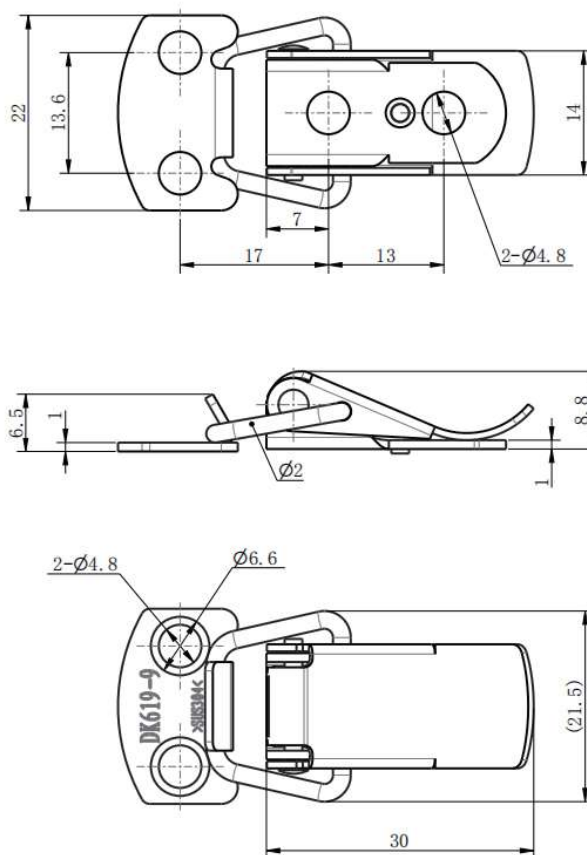

DK624

DK619-9

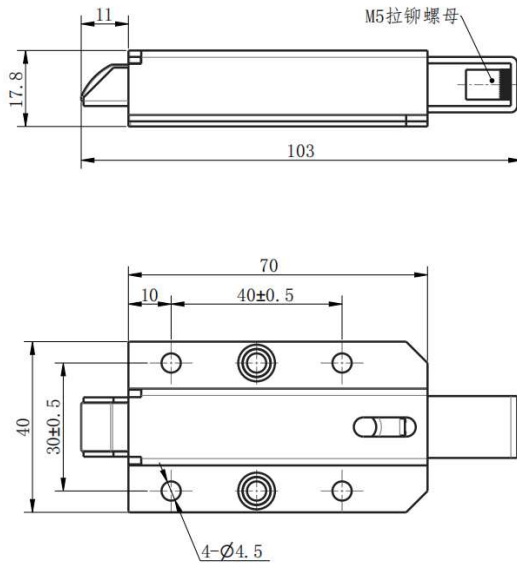

Specification

Material: SUS304
Finish: Grinding

Part Number

DK619-9

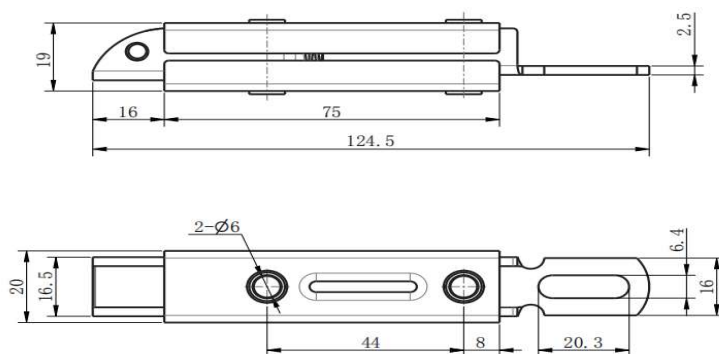

DK633-1

Specification

Material: Steel or Stainless steel
Finish: Steel with zinc plated and
Stainless steel with grinding

Specification	Part Number
Steel body, SUS304 bolt	DK633-1
Steel	DK633-1F
SUS304	DK633-1S

DK633-3

Specification

Material: Steel
Finish: White zinc plated

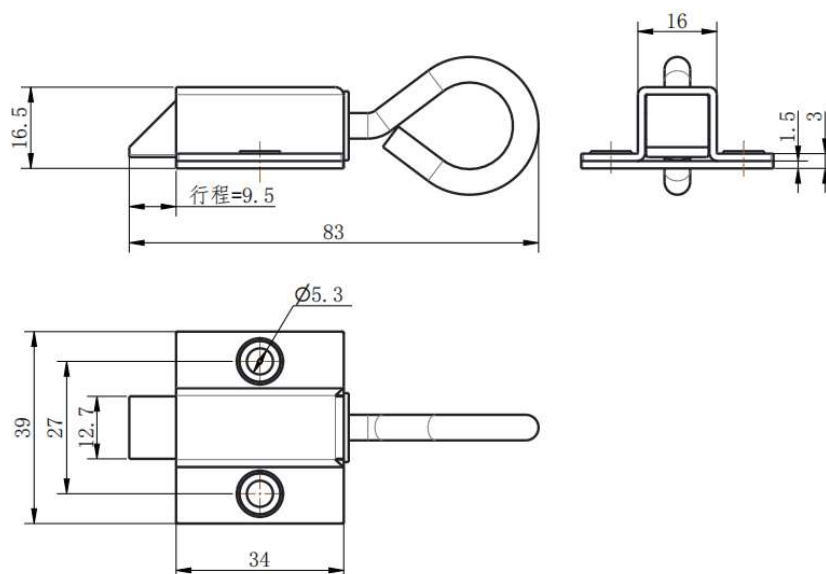

Part Number	DK633-3
-------------	---------

DK634-1

Specification

Material: Steel
Finish: White zinc plated

Part Number

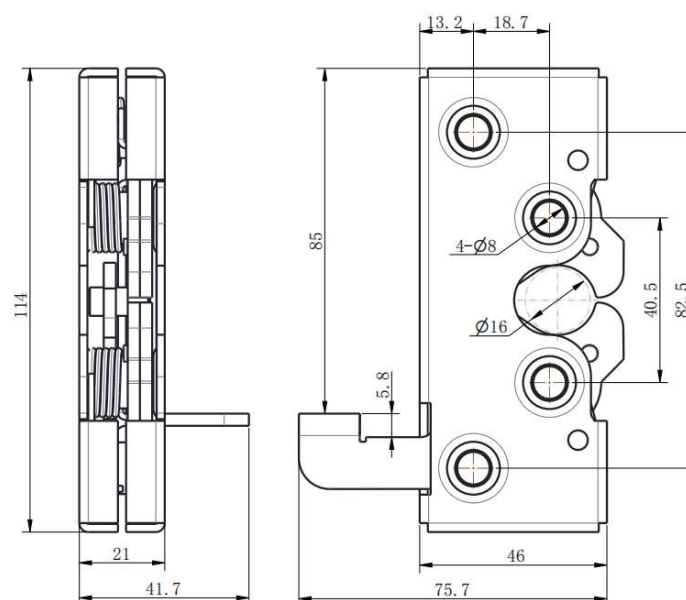

DK634-1

DK635-1

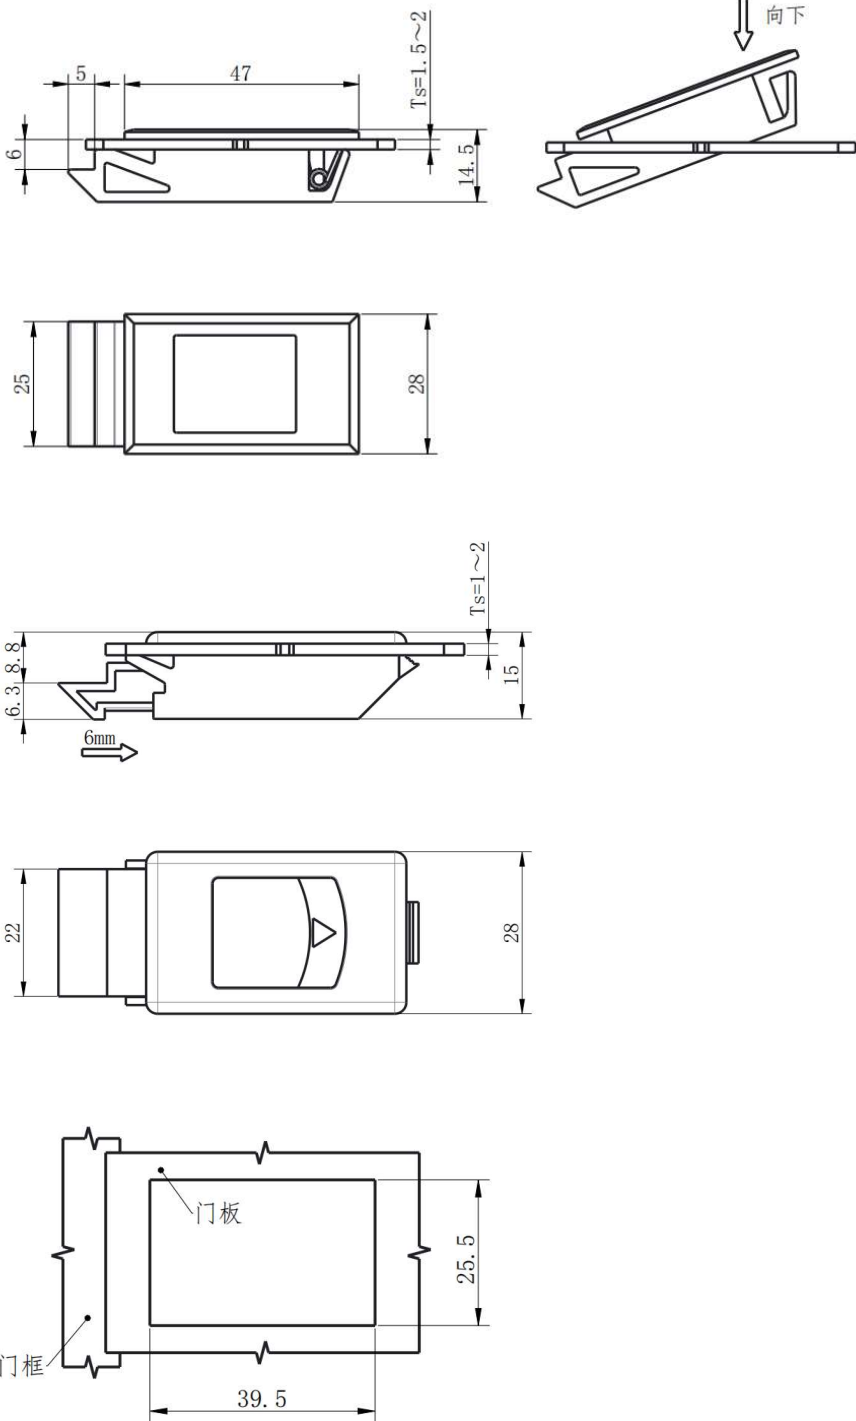

Specification

Material: Steel
Finish: White zinc plated

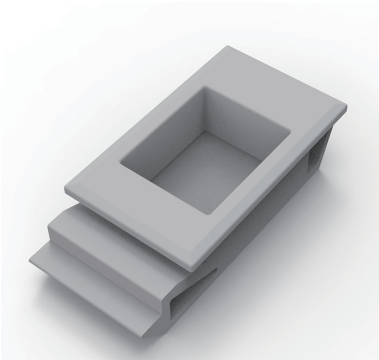

Part Number

DK635-1

DK725

DK725-3B

Specification

Material: ABS or PA lock body

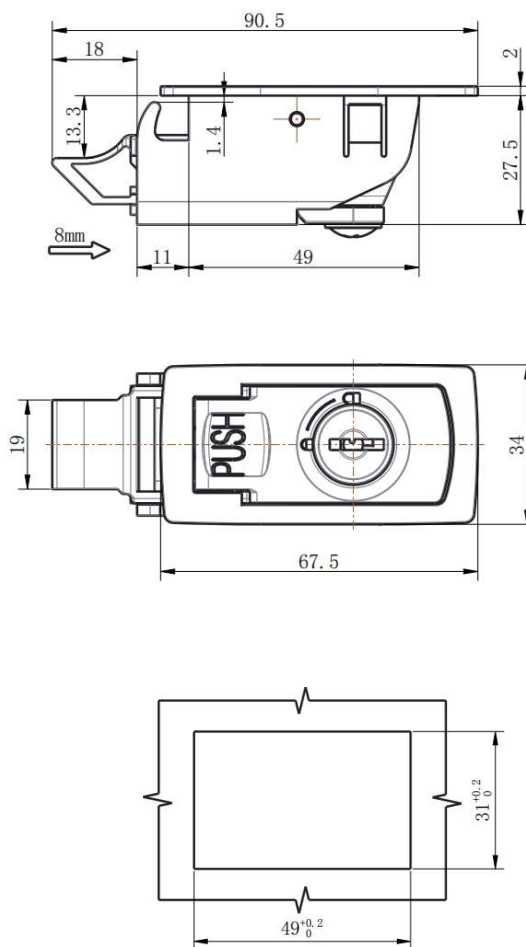

Specification	Part Number
Ts=1.5	DK725-1
Ts=2.0	DK725-2
Ts=1.5~2.0	DK725-3B

DK725-7

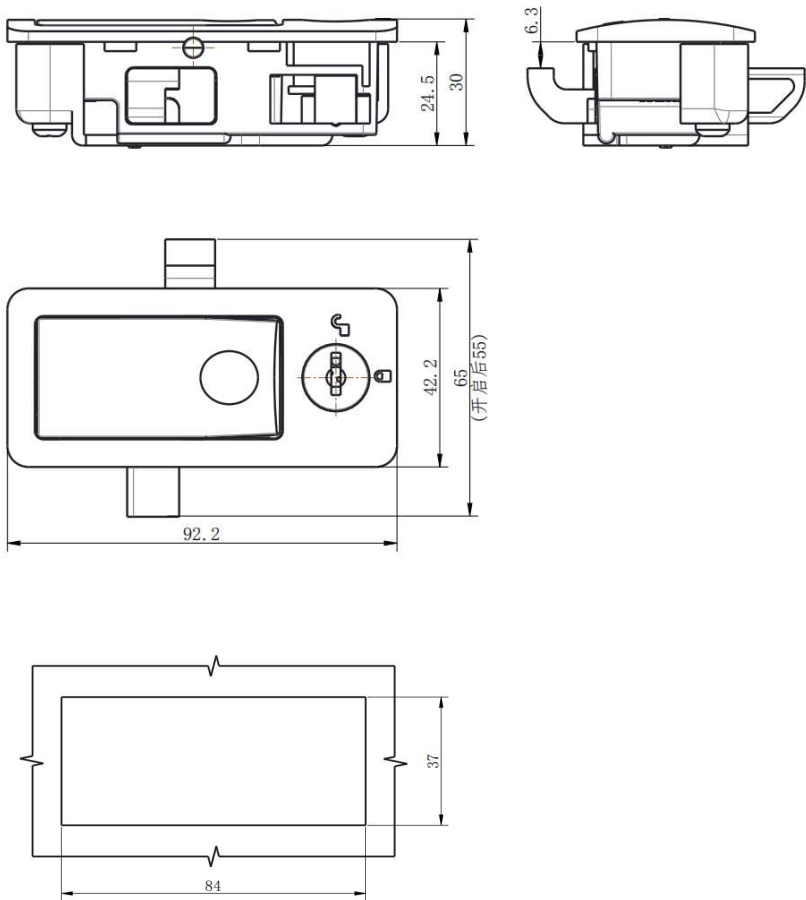

Specification

Material: PA black

Part Number

DK725-7

DK725-8

Specification

Material: ABS+PA lock body(black)

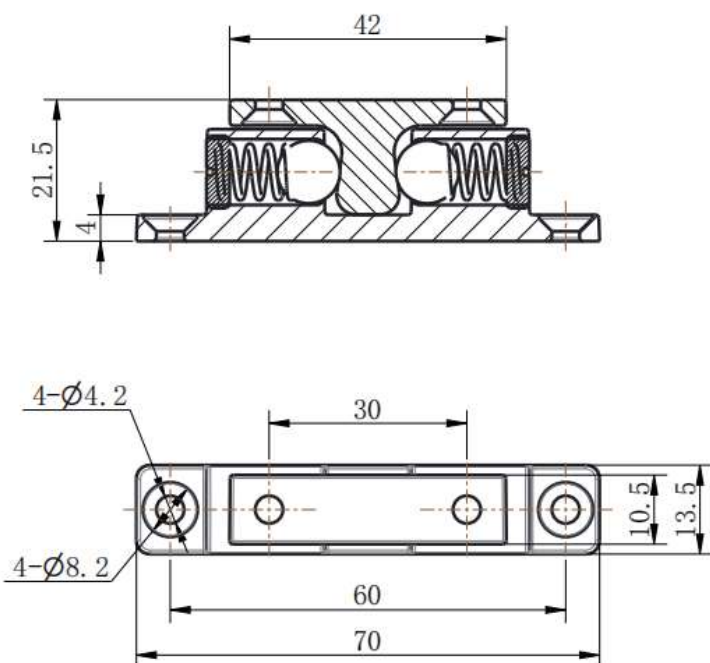

Part Number	DK725-8
-------------	---------

CX101-1

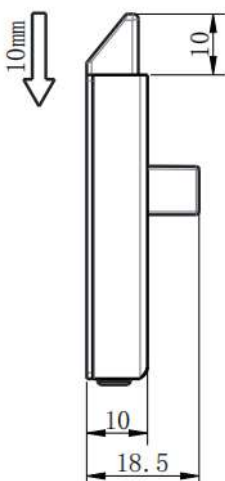

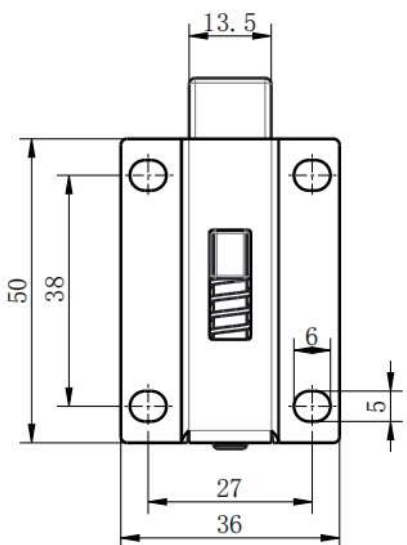

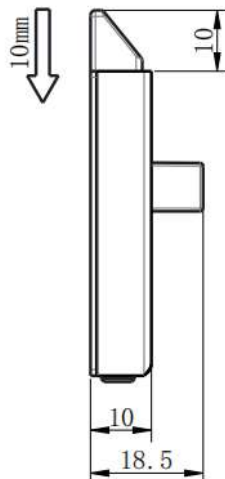

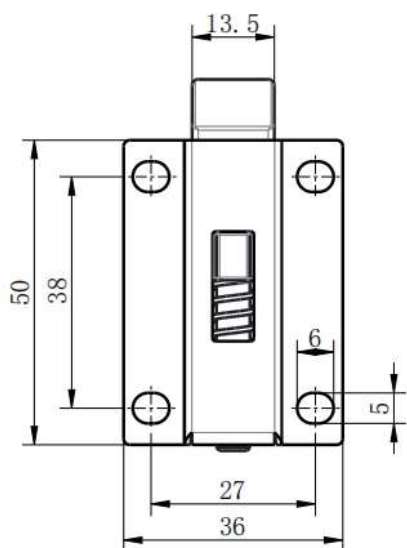

Specification

Material: Zinc alloy body,copper bolt
Finish: Bright chrome plated

Part Number

CX101-1

CX633-1A

CX633-1AF

Specification

Material: Steel bracket,Zinc alloy
bolt
Finish: White zinc plated

Specification	Part Number
Forward bolt	CX633-1A
Reverse bolt	CX633-1AF
